

Whole of Village Memberships

At RRVV's AGM on the 7th November 2024 a revised whole of village membership fee structure was proposed for the 25/26 year and accepted. Information on the revised structure is provided below:

Criteria

The new membership process should:

- Be relatively simple and easily understood
- Offer a suitable discount to the current individual membership structure
- Provide full membership benefits
- Be renewed annually

Summary of Process and Guidelines (a more detailed version is on our website)

- A Committee member will be appointed to liaise with village re WoV memberships.
- The village representative/RLO advises the number of built units in the village.
- The RRVV Treasurer sends out an invoice to the village representative/RLO. The invoice will include a one-off administrative charge of \$25.00 per village.
- The village representative/RLO arranges for payment of the invoice and forwards an electronic file with member details in the required format to RRVV. This will be uploaded by the Office Manager upon payment of the invoice.
- Each quarter, the village representative/RLO will advise the Office Manager of the need to add or remove members.
- In May each year, the Treasurer will forward an invoice for the following year to the village representative of current WoV members.
- The Newsletter will be sent by email to all WoV members who have provided an email address. Hardcopy newsletters (as per the numbers in the table above) will be sent to the village representative/RLO.

Existing memberships

- Existing single and joint memberships will continue to operate in the same way.
- Existing lifetime members will remain on the RRVV system as lifetime memberships and continue to be treated as such (regardless of whether their village joins or ceases a WoV membership).
